- Overall dimension for optimized density
- New feed trough design with self-supporting profile
- Easy and quick installation
- Essential design reducing gaps for red mites
- Available in multi-tier configuration with intermediate catwalks
- Travelling feeders or flat chain feeding system
- Improved manure cleaning drive for easy maintenance
- Available with or without “pvc” duct for manure drying

Drinking line on each floor

Self supporting
feed troughs

EGG BELT 100 mm wide

Adjustable feet

Care — Durability — Flexibility — Reliability — Service

MODULO MEU - ENRICHED

Scratch Mat

Additional central feeding system

Perches

Nest at front
Available also
with nest at back
